Our first Tree of Light was illuminated in 1989. Since then, it has become a tradition that begins the holiday season for The Valley Hospital. This year, we are honored to light the evergreen just outside the wall of windows in the Main Lobby of The Valley Hospital. As it is illuminated, we pay tribute to the special people in our lives.

The officers and members of The Valley Hospital Auxiliary extend our very sincerest thanks to all who helped make Valley's Tree of Light glitter in the night. Please take time to enjoy this Tribute Book.

The names in this book reflect all donations received as of December 3, 2024. Donations received after this date will be added to the book throughout December.
